WAR ON LOCAL CHINA

Collector Browne Examining Certificates of Almond Eyes.

INSPECTOR CREAL AT WORK

Chinese Louie and Ah Chung Nos. 1 and 2 Arraigned—No Doubt White Men Are Connected With the Forgeries.

Butte, June 22.—Within 30 days from now, if David G. Browne, collector of customs, carries out his present intention, there will not be a Chinaman in Butte who is not entitled to stay here. It is believed, since yesterday's developments, that quite a number of Chinamen are in the city who either have no certificates at all or have fraudulent ones. The intention is to force every Chinaman in the city to produce his certificate. If he has a fraudulent one he will be arrested and forced to show where he got it. In order to take charge of this work particularly, R. W. Creal, Chinese inspector under Collector Browne, has been removed from Havre to Butte and will hereafter have his headquarters here. Inspector Creal began his work to-day and rounded up one Chinaman who was added to the other five in the hands of the United States marshal.

The three Chinamen arrested for counterfeiting Chinese certificates were arraigned before United States Commissioner McMurphy this morning. Their names were duly recorded as Quong Loy, alias Chinese Louie, Ah Chung No. 1 and Ah Chung No. 2. The Chinamen gave the same names and were accordingly arraigned as No. 1 and No. 2. The official charge is a violation of section 8 of the act for the exclusion of Chinese, in having, knowingly, forged or counterfeited certificates upon which Chinamen were not entitled to land, but were enabled to so land by virtue of said forged or fraudulent certificates. All three waived examination and were bound over to appear Sept. 3, when the United States court will be in session. The bonds of Quong Loy, or Louie, were fixed at \$1,000, and the bonds of the other two at \$250 each. The bonds were all furnished in a short time by Lewis and John P. Reins appearing as bondsmen, and the men were released.

Then came the arraignment of Him Yue and Ching On, charged with having opium in their possession on which no duty was paid. These men both pleaded not guilty, and their examination was set for next Friday afternoon, June 28, at 4 o'clock. Their bonds were fixed at \$500 each, which were furnished.

Lee Yuen, the Chinaman arrested to-day for not having a certificate in his possession, was arraigned at 2:30 o'clock this afternoon. The Chinaman claimed that he was granted a certificate in Portland, but it was lost. He was asked if he could obtain a duplicate, and he thought he might. This was the first case of the kind that has occurred in this district, and the officials were inclined to doubt Lee Yuen's story of having lost his certificate, and believe if he had any that he came here on a fraudulent certificate and believe that there are many here like him. Commissioner McMurphy decided to give Lee Yuen time to write to Portland for a duplicate. He was held under bonds of \$500 to appear at 4 o'clock next Friday afternoon. The case against him is entitled on which no duty was paid.

made out by me in duplicate, with the photograph of the applicant attached to both the original and the duplicate. The duplicate was retained in the office and the original delivered to the applicant. I would think it would be an easy matter to detect the counterfeits by comparison with the duplicates in this office. The certificates were numbered consecutively, and the numbers will afford another means of detecting the counterfeits.

Husband of Clara Leischke Held for Burglary.

Butte, June 22.—Carl Ernest Leischke, husband of Clara E. Leischke, the woman who got the best of her creditors to the tune of several thousand dollars and then took a trip to Europe, spent the day in the county jail and will have to answer to a charge of burglary, preferred against him by Under Sheriff Young. Some of Mrs. Leischke's numerous creditors brought suit against her and attached the stock of boots and shoes which she transferred to another party before she left the state. The last attachment was levied last evening and a custodian put in charge. Some time during the night Leischke broke into the basement of the store, with the intention, it is alleged, of carrying off some of the goods. Policemen caught him in the act and his arrest followed this morning. A man named Simon Veen, who claims to be the owner of the stock, was with him and was also arrested and both were sent to jail until they can furnish bonds in the sum of \$500 each. They have retained Attorney Yancey to get them out of the difficulty and out of jail.
